Drop-In Center Code of Conduct Guest Acknowledgment

As a guest of the Lighthouse Mission's Drop-In-Center (DIC), I understand I am expected to honor the previously listed Code of Conduct and guidelines. I also understand that there will be negative consequences if I do not abide by this Code of Conduct and set of guidelines, which may include suspension from Lighthouse Mission facilities and all its programs for a period of time.

I acknowledge that my participation in programs at the DIC and the use of its facility is voluntary, and that the staff and volunteers at the DIC have the right to refuse services to me and ask me to leave the property.

Further, I understand that if I am asked to leave or am refused services, there is always a way back. I understand that I am welcome to call and set up a time to discuss a plan to reenter services.

My signature below indicates that I have read and understood the Code of Conduct for any individual utilizing the Drop-In Center. (I also understand I can ask a volunteer to read this document to me.)
